Common Traps

• Responsive, not proactive

 Regressing to individualism -*"That's <u>their</u> job"*

 Losing sight of the big picture

In this session, we will explore this intersection of the personal and professional, identify practical strategies to ensure we're applying the knowledge offered here in our daily lives, and plan how to engage other school stakeholders to undertake these changes.

- To identify multiple sources of motivation to fuel our engagement in equity work throughout this school year
- To identify holistic and practical methods of integrating this learning into our professional practice
- To familiarize ourselves with resources that can increase buy-in and action beyond just the school-based mental health team

Agenda

10:30am-12pm

- Welcome, introduce myself, goals, share agenda
- Sustaining our motivation
- Getting real about challenges to implementation
- Strategy & resource share
- Q&A (15 min)
